CDPEI Updates

Bylaws Update

No feedback was received from members regarding the proposed bylaw changes. As a result, the Council has decided to proceed with several updates, including updating the processes for appointing Council members, the removal of gendered pronouns, and moving from an annual general meeting format to an annual report and meetings as needed. Please see updated Bylaws on [members section of the website](#). Members are always welcome to contact the Council or staff with any questions, feedback, or concerns (including dietetic educator issues), and they can also request to attend Council meetings.

Continuing Education Audits:

Continuing education audits are complete for 2023-2024. A total of 21 members were audited this year following the random audit of 20% of general registrants as outlined in the Continuing Education Credits and Audits Policy. Those who were audited have been contacted.

Council Members Update:

Welcome to Katelin Campbell as a new member to the CDPEI Council starting in September 2024. Thank you to Allan Davidson for your service on the CDPEI Council!

FAQ: What is the difference between a Regulatory Body and a Professional Association?
