The [2024–2025 Annual Report is now available](#) and in the members' section of the CDPEI website. The report includes updates from the Registrar, President, and Treasurer, as well as highlights from Council projects, registration data, and the financial report. We encourage all registrants to take time to review the report.

Welcome new Council Members

We are pleased to welcome two new members to the CDPEI Council:

- Tammy Lomond, Secretary
- Jordan MacDonald, Public Member

They join us following the completion of terms by Kathleen Brennan and Robert Clow.

A sincere thank-you to Kathleen and Robert for their valuable contributions, guidance, and thoughtful input throughout their time on Council.

Congratulations to new RDs

Congratulations to all registrants who successfully passed the May 2025 sitting of the Canadian Dietetic Registration Examination (CDRE)!

We wish you continued success as you begin your professional careers as Registered Dietitians in PEI.

Jurisprudence Volunteers – Call for Participation

CDPEI is developing a Jurisprudence Exam to help guide registrants to key documents such as the Regulated Health Professions Act, Dietitians Regulations, Code of Ethics, and Standards of Practice. This initiative aims to strengthen registrants' understanding of CDPEI's role, the scope of dietetic practice in PEI, and the regulatory framework that supports safe, ethical, and competent dietetic care.

We're seeking volunteers to trial the test and provide feedback before it launches. If you are interested in participating, please email deputyregistrar@peidietitians.ca by November 12th, 2025.

Continuing Education (CE) Audits

Continuing Education audits for the 2024–2025 registration year have been completed.

All selected registrants have been contacted. Thank you to everyone for your timely submissions and commitment to professional growth.

Private Practice RD list on website

The Private Practice Registered Dietitian list is now available in the public section of the CDPEI website.

If you are a registrant who provides private practice services and missed the original call, the application form can be found in the members' section of the website.
